

## **Maintenance/Repair Helper**

Temporary Full-Time Position: Three Month Contract, \$18.95/hour

Quint Development Corporation is looking for an experienced Maintenance/Repair Helper to assist with building repairs and suite turnover. This position will assist the Maintenance Supervisor within Quint owned property by carrying out general maintenance and repair tasks to provide a safe affordable living environment.

The successful candidate will:

- Have a wide range of skills, with experience in trades, carpentry, building, and general construction
- Have general knowledge of building maintenance, with the aptitudes and ambition to learn new skills and constantly improve quality of work
- Have a general knowledge and successful experience in several or all of the following: drywall, (installation, taping, patching and finishing), painting, vinyl plank flooring installation, basic plumbing tasks such as drain cleaning and repair, faucet and toilet repair
- Have the ability to complete physically demanding tasks relevant to the position
- Be a strong team member and good communicator
- Be well-planned and well-organized
- Be flexible and willing to take on new challenges
- Be open to instruction and learning or improving skills
- Be able to work independently
- Possess a valid drivers license
- Have an understanding of Saskatoon's core neighbourhoods, and the issues facing individuals and families on low incomes

Quint Development Corporation strives to employ a workforce that is representative of the neighbourhoods in which it operates.

To apply, send your resume by 4pm Friday May 3<sup>rd</sup>, 2024 to:

Quint Development Corporation
